

Cross TATRA EURO II

EAN Nr.: 9903013160
9903010920
TW01037
GKN700228

We offer completely in-house production of crosses in OEM quality.

More efficient lubrication by using ball lubricators with a tube.

For high performance and durability, emphasis was placed on the selection of all materials including hardened retaining rings, sealing rings and bearing caps.
